Fish Curing Yards.

*Q.—834. Sri B. BHASKAR SHETTY (Kaup).—

Will the Government be pleased to state :—

(*a*) the number of fish curing yards functioning in the State ;

(*b*) what are all the benefits that fishermen would get by these yards ;

(*c*) the total expenditure incured on these yards in the year 1963-64 ?

A.—Sri B. RACHAIAH (Minister for Forests and Fisheries).—

(*a*) 30.

(*b*) These yards cater to the needs of the fishermen by supplying them required quantity of salt for curing their fish at all hours of day and night. The yard staff employed in different Fish Curing, guide the fishermen to cure their catches scientifically thus enabling the fishermen to preserve their cured products from being spoiled and to obtain better prices. Besides this, the yard staff also collect the otherwise wasted shark livers from the fishermen for extracting the crude vitamin oil for further refinery at Government Oil-Factory, Kozhikode. The yards also serve as a link between the common fisher men and the department and
